

DENVER KICKERS YOUTH SOCCER

SPRING 2008 SEASON "Kickers Kids"

Enjoyable soccer skills training, Recreational style environment,
Family orientated fun, Professional facilities, History of soccer excellence – Est. 1962

PROFESSIONAL COACHING and innovative skill development
with Director of Coaching MARK PERDEW of the Rocky Mountain Soccer Camps., Inc.

KICKERS KIDS SOCCER PROGRAM – U4 to U6 Boys and Girls Starts in April

Technique: Learning to play soccer should be fun. It should be a positive experience and enjoyable for the kids as well as the parents. We take a non competitive view of soccer at these ages. Competition and sportsmanship comes with respect for the game, the team, the coach, and the opponent. Individual soccer skills are taught and developed on Thursdays. Ages 7 and older can sign up for team skills which includes Tuesdays. Basic soccer skills are fun!

Kickers Kids Ages 5 and younger: Thursday is individual skills day designed to show the kids proper technique and apply it to challenging and fun situations. Saturday is game day where the Kickers directors encourage the kids to simply participate and run with the ball. The director helps the parents get involved and helps align teams based on individual development levels. Parents bring your athletic shoes!

Kickers Kids Ages 6 and older: Thursday is individual skills day designed to show the kids proper technique through fun, skill challenging stations. Kids will be assigned a team and travel through the stations. Teams will then play games on Saturday with a coordinator who helps the teams through the game.

EARLY REGISTRATION DUE FEBRUARY 2 FINAL DUE MARCH 8

RECREATIONAL SOCCER PROGRAM - U7 to U9 Boys and Girls Season Starts March 25, With Games on April 5

COMING IN LATE MAY & EARLY JUNE - COMPETITIVE TEAM TRYOUTS
for the Fall 2008 Season - Forming U11 - U14 Boys and Girls Teams

COERVER SKILL TRAINING for recreational and competitive teams **U9 and older**

OUR MISSION: Promote and organize the life-long game of soccer in the state of Colorado in order to provide healthy lifestyles for all ages, educate coaches and youth players, involve and teach parents, and develop skilled players.
