

The U9 boys combined Kickers team had a great Memorial tournament at Stenger fields in Arvada. The team finished in second place in the White Division.

The White Division consisted of 12 teams divided into three flights of four teams.

The team advanced as the top seed from their group of four with two wins on Saturday of 4 to 2 and 3 to 2; and a tie 1 to 1 on Sunday morning. The top seeded team automatically plays two more games, one in the semi-finals on Sunday and one in the championship or consolation game on Monday.

The Semi-final game was an exciting match. The shots on goal were abundant by the Kickers opponent but the Kickers keeper prevailed and shut out the other team, with the final score being 3 to 0.

The championship game was another exciting game with end to end action but when time ran out, the Kickers lost by a score of 7 to 3.
