KICKERS YOUTH SOCCER Summer Program

KICKERS KIDS SOCCER: Thursdays

ATTENTION - Kids ages 3-9!!! (July 31, 2004 and older) Soccer time is here again! Do you want to learn how to play soccer? Do you already know how? The Kickers program is designed for kids of all levels and of all ages.

Technique: Learning to play soccer should be fun. It should be a positive experience and enjoyable for the kids as well as the parents. We take a non-competitive approach to teaching soccer. Competition and sportsmanship comes with understanding the game and respect for the game, the team, the coach, and the opponent. Individual soccer skills are taught and developed on Thursdays

Kickers Kids Ages 7 and younger: Thursdays from 5:00 to 6:00 is individual skills day designed to show players proper technique and apply it to challenging and fun situations. In event will be a small sided game. Parents bring your athletic shoes!

Kickers Kids Ages 8 and older: Thursday from 6:00 to 7:00 is individual skills day designed to show the players proper technique through fun, skill challenging stations. Each station is manned by a skilled player/coach demonstrating proper ball striking techniques and skills. Kids will be assigned a team and one station will be a small sided game.

Coaches: The Denver Kickers staff is men and women who have played at very high levels of soccer. The Kickers U23 Men's team was the 2003 & 2004 National Amateur Champions! Coaches are club certified or seeking a coaching license.

Field: All practices and home games are held at the Denver Kickers Sport Club but the field will be closed for renovation so most and maybe all the summer sessions will be at Fairmount Park.
